DRINK HOT TEA FOR A BAD COLD. Get a small package of Hamburg Brand Tea, as the German folks call it. "Hamburg Brand Tea" is a healthy, refreshing, and delicious beverage. Take a tablespoonful of the tea, put a cup of boiling water over it, and stir. It is the most effective way to break a cold and cure a headache. It opens the pores, relieves congestion, also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.—Advt.

Dr. Ferdinand King says: EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES To put strength in her nerves and color in her cheeks.

There can be no beautiful, healthy, rosy-cheeked woman without iron in her blood. The trouble in the past has been that when women needed iron they got only iron pills, which often did more harm than good. Today doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard-looking women 200 per cent in two weeks' time in many instances. I have used it in my own practice with most surprising results.—Ferdinand King, M.D.

NOTE: NUXATED IRON recommended above by Dr. King can be obtained from any good druggist, with or without a physician's prescription, on an absolute guarantee of success or money refunded.

It is dispensed in this city by James O'Donnell Drug Store, People's Drug Store, and all good druggists.—Advt.

LOSE TRANSPORT BOUNTY. LONDON, Feb. 22.—The prize court has disallowed the application of the crew of the British submarine E-14 for prize bounty for sinking the Turkish steamship Gulgaumak, which was carrying 6,000 soldiers. The court ruled that bounty was payable only for sinking an armed ship which might be regarded as an actual fighting unit, and that the evidence failed to show that the transport in question was such a ship.

WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.—Advt.

Look at Child's Tongue If Sick Cross, Feverish

Hurry, Mother! Remove poisons from little stomach, liver, bowels.

Give "California Syrup of Figs" at once if bilious or constipated.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. "Beware of counterfeits sold here. To be sure you get the genuine, look to see that it is made by 'California Fig Syrup Company.' Refuse any other kind with contempt.—Advt.

This Free Your Skin From Hair or Fuzz (Toilet Tips)

The method here suggested for the removal of superfluous hair is quick and certain, and, unless the growth is extremely stubborn, a single application does the work. Make a stiff paste with some powered delatone and water; apply this to the hairy surface and after about 3 minutes rub it off, wash the skin and the hairs are gone. To avoid disappointment, be sure your druggist sells you delatone.—Advt.
